FILOSOFIA

– PHILOSOPHY

Crediamo che crescere sia fantastico e che i luoghi dove questo avviene siano molto importanti. Con le nostre collezioni tracciamo i confini di un mondo colorato, pensato attorno alle esigenze di chi lo abita, e progettiamo le soluzioni che con il passare del tempo lo trasformano, accompagnando bambini e ragazzi verso nuove fasi della vita.

Ci immaginiamo ogni camera come un racconto, dove i colori sono ispirati alla natura e complementi, accessori, carte da parati, tessuti, sticker danno ritmo, carattere e personalità alla narrazione.

Siamo attenti alla qualità e alla sicurezza. Produciamo tutti i nostri arredi in Italia, per rendere ogni spazio il miglior ambiente possibile dove crescere.

We believe that growing up is fantastic and that the places where this happens are very important. With our collections, we are drawing the boundaries of a colourful world built around the needs of its inhabitants and designing solutions that will transform it as time passes, accompanying kids and teens on their journey through each new stage of life.

We picture each bedroom as a story, where colours take their inspiration from nature, a story punctuated by complements, accessories, wallpaper, fabrics and stickers that all add character and personality to the narrative.

We take quality and safety very seriously. We make all our furniture in Italy to ensure each space is the best possible place for them to grow.

COLORE
COLOUR

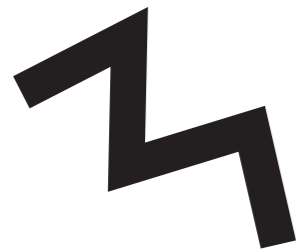

Come la fantasia, i colori arrivano dappertutto.

Like our imagination, colour works its way everywhere.

DESIGN
DESIGN

Ci ispiriamo alle esigenze e ai desideri di bambini e ragazzi per disegnare gli spazi proprio come farebbero loro.

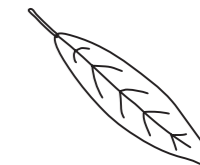

Inspired by the needs and wants of kids and teens, we endeavour to design spaces just as they would.

FLESSIBILITÀ
FLEXIBILITY

Quando bambini e ragazzi crescono, esigenze, passioni e gusti cambiano, così come la loro stanza, che si adatta e si trasforma insieme a loro.

As kids and teens grow, their needs, passions and tastes change, as does their bedroom, which adapts and transforms with them.

EMOZIONE
EMOTION

La camera è un racconto. Arredi, complementi, accessori e colori sono gli elementi di una narrazione unica e personale.

The bedroom is a story. Furniture, complements, accessories and colours are elements of a unique, personal narrative.

(IM)PERFEZIONE
(IM)PERFECTION

Progettiamo spazi che accolgono il mondo imperfetto e bellissimo di bambini e ragazzi.

We design spaces to embrace the imperfect and wonderful world of kids and teens.

MANIGLIE

– HANDLES

Consideriamo le maniglie un dettaglio molto importante. Le abbiamo disegnate perché fossero prima di tutto funzionali, per rendere facile e veloce l'apertura e la chiusura di ante e cassetti. Ci siamo divertiti a pensarne tante, tutte diverse, per rendere ogni stanza unica e personalizzata. Infine, abbiamo cercato i migliori fornitori per le maniglie più particolari, come quelle in ceramica, fatte e dipinte a mano.

We believe handles are a very important detail. We've designed them to be functional, above all else, so that doors and drawers are quick and easy to open and close. We've had fun thinking up lots of different kinds, to make each room unique and personal to you. Lastly, we've sought out the best suppliers for our most unique handles, like the hand-painted ceramic ones.

NIDI E L'AMBIENTE

– NIDI AND THE ENVIRONMENT

Nidi rispetta l'ambiente, la salute dei suoi lavoratori e quella del cliente finale. Usiamo solo pannelli ecologici certificati ISO 9001, prodotti con emissioni di formaldeide prossime allo zero e fatti con legno rigenerato per salvaguardare l'ambiente senza abbattere nessun albero. Anche i nostri sistemi di imballo sono eco-compatibili e completamente riciclabili. Per gli elementi laccati vengono usate solo vernici all'acqua, così le emissioni tossiche nell'atmosfera sono ridotte del 95%, l'ambiente di lavoro è più salubre e chi userà il mobile può stare assolutamente tranquillo.

Nidi respects the environment and the health of workers and customers alike. We use only ISO 9001-certified ecological panels, produced with near-zero formaldehyde emissions and made with regenerated wood to be kind to the environment instead of felling trees. Even our packaging systems are environmentally compatible and 100% recyclable. We use only water-based paints for our lacquered units, effectively reducing toxic emissions into the atmosphere by 95%, producing a healthier workplace and providing the furniture's end users with complete peace of mind.
