Un divano che sfrutta potenzialità aggiuntive per inserirsi in armonia con l'area living.

Un imbottito a pozzetto dalle forme generose e dalle raffinate proporzioni accoglie ampi e confortevoli cuscini di schienale appoggiati alla struttura tramite un cilindro imbottito che dona dettaglio all'insieme.

A sofa that takes advantage of added power to fit in harmony with the living area.

A padded cockpit with generous shapes and refined proportions welcomes large and comfortable back cushions resting on the structure through a padded cylinder that gives detail to the whole

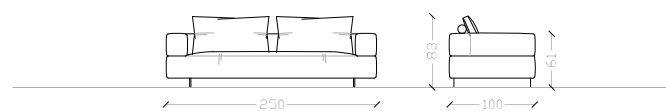

Il progetto si amplia e sviluppa con la possibilità di inserimento di una elegante libreria in legno con ampi vani a giorno, che può essere posizionata a contorno dell'intero divano o di una sua porzione, sostituendo il bracciolo in configurazioni di ampio respiro architettonico. I piedini in legno donano leggerezza.

The project is extended and developed with the possibility of inserting an elegant wooden bookcase with large open compartments, which can be positioned around the entire sofa or a portion of it, replacing the armrest in configurations of wide architectural scope. The wooden feet give lightness.

Un progetto che finalizza al massimo la necessità di personalizzazione dello spazio living.

Un sistema di piattaforme sollevate da terra presenta una sottile gola da incasso che corre lungo il perimetro creando un dettaglio che dona carattere al divano e rende possibile l'inserimento dei cuscini di schienale nella posizione desiderata e più consona all'esigenza del momento.

A project that maximizes the need for personalization of living space.

A system of platforms raised off the ground has a thin recessed groove that runs along the perimeter creating a detail that gives character to the sofa and makes it possible to insert the back cushions in the desired position and more suited to the need of the moment.

Questa libertà di movimento rende dinamico l'ambiente, al servizio della funzionalità.

Il disegno delle piattaforme rompe gli schemi disegnando forme irregolari in pianta che creano dinamismi e permettono la configurazione di svariate composizioni.

I cuscini di schienale proseguono nella valorizzazione dell'aspetto ricercato del divano, in quanto disponibili anche con volant laterali morbidi che contribuiscono a creare un'atmosfera di freschezza e libertà d'utilizzo.

Completano il sistema dei comodi poggiatesta ed un sistema di pianetti inseribili liberamente nella gola delle sedute.

This freedom of movement makes the environment dynamic, at the service of functionality.

The design of the platforms breaks the patterns by drawing irregular shapes in plan that create dynamism and allow the configuration of various compositions.

The back cushions continue to enhance the sophisticated look of the sofa, as they are also available with soft side flounces that contribute to creating an atmosphere of freshness and freedom of use.

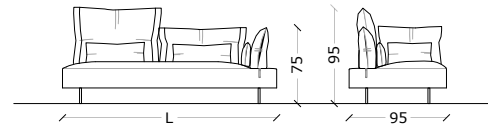

The system is completed with comfortable backrests and a system of freely inserted shelves in the groove of the seats.

MOVING

Soft seat and back cushions with a soap shape, highlighted by a contrasting color profile, give an informal and contemporary look to the Moving sofa. The insertion into the thickness of the backrest of a metal pull-out bridge bar gives the possibility of obtaining high or low backs in relation to the need of the moment, giving an additional functionality to the use of the sofa that makes it suitable for different uses. A studied modularity makes possible different compositions that are inserted in the living area, adapting to the various needs of the environment.

Morbidi cuscini di seduta e di schienale dalla forma a saponetta, evidenziata da un profilo con colore a contrasto, donano un aspetto informale e contemporaneo al divano Moving.

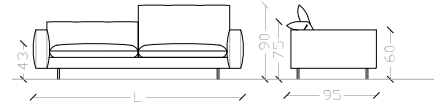

L'inserimento nello spessore dello schienale di una barra in metallo a ponte estraibile dona la possibilità di ottenere schienali alti o bassi in relazione alla necessità del momento, conferendo una funzionalità aggiuntiva all'utilizzo del divano che si rende così adatto a diversi utilizzi.

Una studiata modularità rende possibili differenti composizioni che si inseriscono nell'area living adattandosi alle varie esigenze d'ambiente.

Semplice, elegante e confortevole. Forme primarie che rilevano una dolcezza intrinseca, dal design essenziale e accogliente.

L'inclinazione dello schienale e l'ampia bombatura del bracciolo né disegnano i tratti caratteristici del divano enfatizzando l'accuratezza nei dettagli e facendo coesistere comodità e raffinatezza.

Simple, elegant and comfortable. Primary forms that reveal an intrinsic sweetness, with an essential and welcoming design. The inclination of the backrest and the wide crowning of the armrest draw the characteristic features of the sofa emphasizing accuracy in details and making comfort and refinement coexist.

Un'anima contemporanea e uno spirito senza tempo, si adatta a tutti gli spazi in cui si necessita di relax senza rinunciare allo stile.

Letto moderno e invitante, con un avvolgente e morbida testata imbottita. Un'onda disegna il profilo della testata creando una particolare bombatura, arrotondata all'interno che conferisce al letto un'immagine piacevole ed accogliente.

A contemporary soul and a timeless spirit, it adapts to all the spaces where you need to relax without sacrificing style.

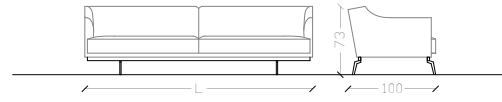

Modern and inviting bed, with an enveloping and soft padded headboard. A wave draws the profile of the head creating a particular rounded shape, rounded inside that gives the bed a pleasant and welcoming image.

COMPOSIZIONI

GREG

Divano componibile, moderno e confortevole grazie all'inclinazione degli schienali, al poggiatesta e alla possibilità di aggiungere il poggiatesta. I piedini sono costituiti da una lama metallica che danno al divano un'immagine aerea.

Modular sofa, modern and comfortable thanks to the inclination of the backrests, the lumbar support and the possibility of adding the headrest. The legs are made of a metal blade that gives the sofa an aerial image.

Grazie al suo design leggero ed elegante è ideale per ambienti dallo stile contemporaneo come per quelli dal gusto retrò.

Greg è disponibile in due diverse altezze di schienali dando così la possibilità di plasmare il proprio divano a seconda del proprio gusto e delle proprie esigenze.

Il letto ricalca le caratteristiche principali del divano: la testata imbottita è dolcemente inclinata verso l'esterno; i piedini in metallo rendono il letto quasi sospeso; la possibilità di aggiungere il poggiatesta crea movimento e trasmette un'idea di comfort e relax.

Thanks to its light and elegant design it is ideal for spaces with a contemporary style as well as those with a retro taste.

Greg is available in two different heights of backrests thus giving the possibility to shape your sofa according to your taste and your needs.

The bed follows the main characteristics of the sofa: the upholstered headboard is gently inclined towards the outside; the metal feet make the bed almost suspended; the possibility of adding the headrest creates movement and conveys an idea of comfort and relaxation.
